Correction to: *Cellular & Molecular Immunology* <https://doi.org/10.1038/s41423-021-00807-4>, published online 29 November 2021

In the original publication of this article, there was an unintended error during image preparation of Fig. 4d. The blots for  $\beta$ -actin in Fig. 4d and Fig. 4f were generated from the same experiment, but the one in Fig. 4d was reversed. The corrected Fig. 4d is shown below. This correction does not change the results or the conclusions of this paper. The authors apologize for the inconvenience.
